

# NAGC – Nicholas Green Distinguished Student Awards Program

*NCAGT is working with NAGC to help keep the Nicholas Green Distinguished Student Award alive. Unfortunately, funding has nearly run out for the award and NAGC/NCAGT need your support to continue to recognize distinguished students across the country. The award inspires children to achieve their fullest potential, highlights high-ability students, and draws attention to the educational needs of our nation's gifted and talented students. Recognizing youngsters with the award not only changes their lives, but also inspires those around them. Let's join together for a great cause. NCAGT hopes that you will participate to help keep the legacy of Nicholas Green alive with a donation.*
