

The **NCA GT Distinguished Service Award** is considered a lifetime achievement award. It is presented to a person from the field of education that has made outstanding contributions to the education of gifted children in North Carolina. Nominations are made by the general membership and final ballot selection is made by the NCA GT Board of Directors. Past recipients and current members of the NCA GT Board of Directors may not be nominated. Award recipients will receive a plaque of recognition and a complimentary lifetime membership (if not already a lifetime member).

You may nominate as many persons as you feel should be considered. Please include a biographical description for each nominee. A biographical sketch is not as critical as a descriptive narrative detailing the services and contributions the individual has made by advocating for gifted education in North Carolina.
