

Mission: To support the needs of gifted and talented learners regardless of race, region, income, gender and/or sexual orientation.

Vision: Gifted and talented learners are recognized, highly valued, and passionately supported in North Carolina.

NCAGT values advocacy, outreach, and stewardship:

- To create shared knowledge and expertise through collaboration with stakeholders
- To increase engagement between stakeholders, policy makers, and the educational community at large
- To advance awareness of the diverse needs of gifted and talented learners
- To refocus the organization to better meet the needs of our stakeholders

1. Our Shared Goal for Advocacy

NCAGT's goal is to advocate for policies that support gifted and talented learners at the local, state, and national level.

- A. NCAGT will lead in shaping the development of policies that support gifted and talented learners from all backgrounds.
- B. NCAGT will engage in initiatives to facilitate political and educational leaders' understanding about the benefits of supporting gifted and talented learners.
- C. NCAGT will collaborate with partners to support advocacy efforts.
- D. NCAGT will advocate for the enhancement and extension of the general education standards for gifted and talented learners in their educational environments.
- E. NCAGT will educate and engage stakeholders in advocacy efforts.
- F. NCAGT will collaborate with districts within North Carolina to support the diverse needs of gifted and talented students.
- G. NCAGT will continue to support local Partners for the Advancement of Gifted Education (PAGE) chapters

2. Our Shared Goal for Outreach

NCAGT's goal is to be a trusted resource for supporting the diverse needs of gifted and talented learners.

- A.** NCAGT will continue to educate stakeholders, policy makers, and the educational community at large about evidence-based practices in gifted education.
- B.** NCAGT will continue to share information through the annual conference, personal development, publications, website, and other communication channels.
- C.** NCAGT will expand its scope of influence through collaboration and partnerships with state and national organizations, districts, PAGE chapters, and elected officials.
- D.** NCAGT will develop a plan to increase organizational recognition through strategic communication within the gifted and general education communities at large.

3. Our Shared Goal for Stewardship

NCAGT's goal is to refocus the organization and expand efforts to better support stakeholders.

- A.** NCAGT will align with the National Association of Gifted Children (NAGC).
- B.** NCAGT will refine and align bylaws, policies, and procedures to ensure sustainability of the organization.
- C.** NCAGT will seek grants and other opportunities to lead in the field of gifted education.
- D.** NCAGT will develop a plan to recruit and grow membership.
- E.** NCAGT will cultivate leadership from within and outside the organization.
- F.** NCAGT will create sub-committees for organizational expansion.
- G.** NCAGT will involve membership in sub-committee work to increase engagement and advance efforts.
- H.** NCAGT will create Professional Learning Communities (PLC) to support collaboration and partnerships within the membership.

(INTENTIONALLY BLANK)

NCAGT ACTION PLAN 2021-25

Goal	Action Step	Timeline	Evaluative Measures
Objective 1: To advocate for policies that support gifted and talented learners at the local, state, and national level.

NCAGT will continue to support local Partners for the Advancement of Gifted Education (PAGE) chapters	Request from gifted coordinators the name of a parent who might take the lead of a PAGE chapter (or to begin one). Create a training for PAGE chapter leads.		Committee: Advocacy and Engagement List of names List of possible meeting topics for PAGE leaders

	Create ideas for discussions for PAGE meetings. Continue to offer one complimentary conference registration.		
Goal	Action Step	Timeline	Evaluative Measures
Objective 2: To be a trusted resource for supporting the diverse academic, intellectual, social and emotional needs of gifted and talented learners.			
A. NCAGT will continue to educate stakeholders, policy makers, and the educational community at large about evidence-based practices in gifted education.	Create templates for members to contact legislators on various AIG evidence based practices. Develop a list of the evidenced-based practices we advocate for and support.		Committee: Public Relations Email templates Resources on our website.
B. NCAGT will continue to share information through the annual conference, professional development, publications, website, and other communication channels.	Get feedback from members about what types of PD they would like to see offered. Publish three newsletters each year. Maintain a social media presence with at least one post/week.		Committee: Public Relations and Conference Surveys

C. NCAGT will expand its scope of influence through collaboration and partnerships with state and national organizations, districts, PAGE chapters, and elected officials.	Seek out a designated state day to recognize and highlight the needs of gifted and increase awareness Offer conferences/events for stakeholders to attend.		Committee: Advocacy and Engagement
D. NCAGT will develop a plan to increase organizational recognition through strategic communication within the gifted and general education communities at large.	Public relations will develop a plan to increase organizational presence for a variety of stakeholders in a variety of ways, through membership, communication, and professional development.	Present and ongoing	Committee: Public Relations
Goal	Action Step	Timeline	Evaluative Measures
Objective 3: To refocus the organization and expand efforts to better support stakeholders.			
A. NCAGT will align with best practices in gifted education.	Develop a list of the evidenced-based practices we advocate for and support		All Committees
B. NCAGT will refine and align bylaws, policies, and procedures to ensure sustainability of the organization.	Continue to revise bylaws and policies to reflect current needs and notify stakeholders of changes		Executive Committee revised documents
C. NCAGT will seek grants and other opportunities to lead in the field of gifted education.	Identify key areas of need and utilize		Executive Director

	Look at organizations that rely on highly talented workforces (Apple, etc.). Ask for support of speakers at events, programs for students, etc.		
D. NCAGT will develop a plan to recruit and grow membership.	*Create ways to make NCAGT more visible to the gifted community (especially non-members) *Find ways to give all teachers an open window into the AIG community to increase interest which will hopefully lead to increased membership (PLCs/book studies, etc.) *Inform members “how” to create new membership (shared responsibility)	Present and ongoing	Committee: Public Relations
E. NCAGT will cultivate leadership from within and outside the organization.	Invite teacher leaders to facilitate statewide PLCs Through Talent Unleashed, engage with leaders within and external to education circles to grow awareness and develop plans of action. Consider members of Talent Unleashed as potential NCAGT Board members, presidential		Committee: Public Relations Committee: Advocacy and Engagement

	appointments or committee members.		
F. NCAGT will create sub-committees for organizational expansion.	Include people who are not on the NCAGT Board (members and non-members) to serve on sub-committees and join Board meetings during committee meeting time.		Executive Committee
G. NCAGT will involve membership in sub-committee work to increase engagement and advance efforts.	Communicate with membership and request feedback on what sub-committee work they would be interested in- or even get a sense of how this might be received from membership. Invite membership to participate in sub-committee meetings.	Present and ongoing	Committee: Public Relations
H. NCAGT will create Professional Learning Communities (PLC) to support collaboration and partnerships within the gifted education committee.	Create regularly scheduled (monthly/quarterly) PLCs open to all Utilize a book study with regularly scheduled meetings to increase collaboration throughout the state. Create a PLC or Group around Advocacy for Gifted Learners	Present and ongoing to be completed in Spring for next school year	Committee: Public Relations Committee: Advocacy and Engagement
